## SupplyOn Registration - Information about the D-U-N-S®

**To register with SupplyOn for Schaeffler, you need a Dun & Bradstreet D-U-N-S® number.**

This number is a globally unique identifier for your company by which we can identify your company in the SupplyOn network and with us.

There are several agencies for applying for a D-U-N-S® number.

**You can search for or apply for the number free of charge at your local D&B partner organization**

### **Important note:**

In some countries, local agencies may try to sell suppliers a paid service package. E.g., some sites say that it takes up to 30 days. An urgent application - within 3 days costs money.
