Is the Login into the Supplier Forum not working?

You need to check your privacy setting within the SupplyOn account.

(1) Login to SupplyOn and click on Administration and (2) My User Account

(3) Select the tab Privacy setting and select (4) to get access to the Supplier Forum.

The screenshot shows the SupplyOn user interface. At the top, there is a navigation bar with the following items: SUPPLYON, SupplyOn Services, News, Administration (marked with a yellow circle 1), and More. A dropdown menu is open under Administration, showing My User Account (marked with a yellow circle 2). Below the navigation bar, the breadcrumb trail reads: My SupplyOn > My user: Privacy settings. The main content area has several tabs: My master data, My roles, My service settings, My user administrators, My substitutes, and Privacy settings (marked with a yellow circle 3). The Privacy settings page contains a 'Save' and 'Discard changes' button. Below this, there is a section titled 'Settings for processing personal data' with a paragraph of text. Underneath, there is a section titled 'Revocation of your consent' with a paragraph of text. The consent options are as follows:

<input checked="" type="radio"/> I agree to receive information by e-mail and/or be contacted by phone regarding latest news on training offers, events, presentations, studies and information on applications, services and developments of SupplyOn.	<input type="radio"/> No subscription to newsletter	(Updated 02-Apr-2023)
<input type="radio"/> I agree to be contacted via e-mail and/or phone to take part in activities to evaluate and improve customer and user satisfaction such as surveys, interviews, application (preview) testing and events (e.g. expert groups, panels, meet & greet) related to applications, services and developments of SupplyOn.	<input checked="" type="radio"/> Do not receive invitations to surveys	(Updated 13-Jun-2019)
<input checked="" type="radio"/> Use of the Supplier Forum as an additional offer for supplying companies. In the Supplier Forum, experiences, thoughts and ideas can be exchanged with other users via contributions and comments.	<input type="radio"/> No use of the Supplier Forum.	(Updated 23-Jun-2022)

At the bottom of the form, there are 'Save' and 'Discard changes' buttons. A yellow circle 4 is placed over the first consent option.
